Updates/Reminders

- Our morning drop-off is from 7:05-7:40. If you arrive after 7:40, when all of our staff members have returned inside, please drive your student to the front entrance (off Riley St.), so they can be checked in safely at the office.
- Our iPad headphones ended up coming in quicker than we expected. If your student prefers to use his/her headphones from home, I am totally fine with that. If you need your student's personal headphones returned home, please send me a quick note and I'll get them sent back home.
- Things students need each day:
 - Snack (one small food, one drink)
 - Water bottle (plain water)
 - Extra change of clothes in backpack for spills or bathroom accidents
 - Jacket (this one is optional, but it does tend to stay chilly in our room)
